Forecast For Tayside, Central & Fife
Issued by Met Office Aberdeen
at 0400 on Wednesday 20 Oct 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Mainly dry, bright morning. Rain reaching from northwest during afternoon.

Today:
Most staying dry through the morning with bright and sunny spells more widespread east of the A9. Cloud thickening from the northwest from late morning spreading periods of rain to all by late afternoon. Maximum temperature 14 deg C (57 deg F).

Tonight:
Rain early evening clearing as winds veering north to northwest by late evening, which brings showers through the night, these mainly focused across northern areas, also wintry over the hills. Minimum temperature 1 deg C (34 deg F).

Thursday:
Cold day with showers and fresh to strong north to northwest winds. Showers wintry across hills, occasional in the north, isolated in the Central Belt. Maximum temperature 11 deg C (52 deg F).

Outlook for Friday to Sunday:
Friday brings an improvement with showers waning as the northwest winds ease. Turning milder Saturday as winds back southwest, pushing rainbands across area. Sunshine and showers for Sunday.
